#### Undertaking "A" (General)

To confirm that the B.P. mentioned in this application for the project adheres to all the standards set out in Regulations of Internal Water Installations and Connection Works May 2009. In case of deviations from KAHRAMAA Regulation, the deviations are listed in separate Annexure. Nominated consultant/contractor shall comply with Water conservation requirements as stipulated under section 7 of the regulation during all stages of the installation. It is understood that Kahramaa reserves the right to reject any B.P, even at the time of connection, if the B.P. does not conform to Kahramaa Regulations.

To secure reliability of the building water designs, their compliance with the approved applicable specifications and rules issued by Qatar General Electricity & Water Corporation "Kahramaa" as and not limited to the water installations, and all related equipments. In case of any violation of the above mentioned commitments, Kahramaa shall have the right to initiate all legal proceedings liable under such violation. This acknowledgement is subject to and is interpreted in accordance with the Qatari Laws.

التعهد بضمان صحة وسلامة التصميمات المائية للمشروع، واتفاقها مع المواصفات المعتمدة، والمعمول بها، والقواعد الصادرة عن المؤسسة العامة القطرية للكهرباء والماء (كهروماء) الخاصة بالتمديدات المائية وتركيب الأجهزة المرافقة بالتمديدات المائية. وفي حالة الإخلال بالالتزامات المذكورة أعلاه، فإنه يكون لكهروماء، أن تتخذ كافة الإجراءات القانونية المترتبة على ذلك. يخضع هذا التعهد ويفسر طبقاً لقوانين دولة قطر.
